

Preparing for the v2022 Changes to Coding and Abstracting

Here's a list of all the products and resources we've created to help you prepare to use v2022 of ICD-10-CA/CCI and the *Canadian Coding Standards*, and to prepare for the new fiscal year of data collection. You may not need to review or complete all the items in this checklist. Choose and complete the ones that are appropriate to your role.

Product/service	To do
<p><i>International Statistical Classification of Diseases and Related Health Problems, Tenth Revision, Canada (ICD-10-CA), v2022</i></p>	<p>Review in ICD-10-CA v2022</p> <ul style="list-style-type: none"> <input type="checkbox"/> Appendix A — New ICD-10-CA Codes for 2022 <input type="checkbox"/> Appendix B — Disabled ICD-10-CA Codes for 2022
